#### KEYWORDS USED WHERE POSSIBLE TO DEFINE SCOPE OF ACTIVITY/EXPERIENCE

#### Materials:

C(-Mn) steels, normalized and TM steels

Cr-Mo (-Ni) steels

Ferritic/martensitic/austenitic/duplex/high nickel steels

Aluminium alloys

Copper alloys

Nickel alloys

Titanium alloys and Zirconium alloys

Others to be specified

### **Product Types:**

aircraft and space vehicles

aircraft engines

rail vehicles

large storage vessels

small storage vessels

machinery

automotive

bridges

cranes and mechanical handling equipment

construction and mining equipment

large pressure vessels, boilers

small pressure vessels

pressure equipment

electrical machines

domestic equipment

offshore structures

transport pipelines

industrial piping

pressure vessels, equipment

shipbuilding

steel construction

others to be specified

#### Welding Processes:

Gas

MMA

MIG/MAG

TIG

Plasma

SAW

EΒ

Laser

Resistance

Friction

Stud welding

Others to be specified

#### **Rules of Professional Conduct**

Persons certified according to the IIW Certification Scheme are obliged to follow these rules. The rules of Professional Conduct include any further rule given by the Authorised Nominated Body responsible for the certification.

- Certified persons shall take all reasonable steps to ensure that they discharge their professional responsibilities in an objective, thorough, and competent manner, ensuring the safety of others at all times
- Certified persons are obliged to keep up-to-date in the areas of technology in which they practice
- All information given as the basis for a certification and its recertification must be correct and not misleading
- The certificate must only be used as intended for, and within the scope of, certification
- Certified persons and/or their employers must not use the certificate, nor part of it, nor must they knowingly allow it to be used in a manner that may be considered fraudulent
- Certified persons or their employers must not make incorrect references to the certification system or misleading use of certificates in advertisements, catalogues, etc
- Certified persons are obliged to keep a record of any complaint made against them within the technical field covered by the certificate
- Certified persons must not bring the IIW or the Authorised Nominated Body into disrepute
- Certified persons must follow any rules given for use of scheme logos.

The certificate remains the property of ANB

Failure to follow these rules of Professional Conduct may result in withdrawal of the certificate issued.

The penalties for fraudulent use of certificates may in addition include reporting the matter to the relevant authorities.

An Authorised Nominated Body is obliged to publish details of withdrawn certificates.

A certificate which has been withdrawn due to failure of the certificate holder to follow these rules of Professional Conduct can only be re-issued after a period of minimum 5 years. An Authorised Nominated Body is allowed to deny re-issuing of a certificate.
